

2015 Annual Security & Fire Safety Report

ABOUT THE REPORT

In compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, the United Tribes Technical College publishes an Annual Security Report and Fire Safety Report for its campus and community in Bismarck, North Dakota.

The Clery Act is a federal law that requires institutions of higher education in the United States to disclose campus security information including crime statistics for the campus and surrounding areas.

In 1986 Jeanne Clery, a college freshman, was murdered and sexually assaulted in her campus residence hall room by another student she didn't know. Her school hadn't informed students about the high volume of violent crimes on campus in the three years preceding her murder.

HOW THE REPORT IS DISSEMINATED

The Clery Act stipulates that the college is to notify current and prospective students, faculty and staff of the availability of this report, no later than October 1, 2014. The report may be retrieved from the college's campus security webpage at <http://www.uttc.edu>. An e-mail notification providing the URL address for the report will be sent to current students, faculty and staff at the main campus. Printed copies of the report are available upon request at the UTTC Security Office located in bldg. 63 on Turtle Mountain Rd. Prospective students are notified of the availability of the report in admissions materials and via the United Tribes Technical College website. New employees are notified upon hire how to access the annual security report via the UTTC website.

CLERY ACT REQUIREMENTS

PUBLISH AN ANNUAL SECURITY REPORT (ASR)

Colleges and Universities must publish a report by October 1, documenting the previous three calendar years of select campus crime statistics including security policies and procedures and information on the basic rights guaranteed to victims of sexual assault. The law requires that schools make the report available to all current students and employees, and prospective students and employees must be notified of its existence and given a copy upon request. Schools may comply with this requirement via the internet if required recipients are notified and provided exact information regarding the on-line location of the report. Paper copies of the ASR should be available upon request. All crime statistics must be provided to the U.S. Department of Education and submitted online within 15 days after the Oct 1st publishing on the Department of Education reporting website.

MAINTAIN A PUBLIC CRIME LOG

Institutions with a police or security department are required to maintain a public crime log documenting the "nature, date, time, and general location of each crime" and its disposition, if known. Incidents must be entered into the log within two business days. The log should be accessible to the public during normal business hours; remain open for 60 days and, subsequently, made available within two business days upon request.

DISCLOSE CRIME STATISTICS

Institutions must disclose crime statistics for incidents that occur on campus, in unobstructed public areas immediately adjacent to or running through the campus and at certain non-campus facilities, student family housing. The statistics must be gathered from the safety and security department, local law enforcement and other school officials who have "significant responsibility for student and campus activities." The Clery Act requires reporting of crimes in seven major categories, some with significant sub-categories and conditions:

- Criminal Homicide
 - ◊ Murder and Non-negligent
 - ◊ Manslaughter
 - ◊ Negligent Manslaughter
- Sex Offenses
 - ◊ Forcible Sex Offenses
 - ◊ Non-forcible Sex Offenses
- Robbery
- Aggravated Assault
- Burglary
- Motor Vehicle Theft
- Arson
- Dating Violence
- Domestic Violence
- Stalking
- Liquor, Drug or Weapons Law Violations
- Hate Crimes

ISSUE TIMELY WARNINGS ABOUT CLERY ACT CRIMES WHICH POSE A SERIOUS OR ONGOING THREAT TO STUDENTS AND EMPLOYEES.

Institutions must provide timely warnings in a manner likely to reach all members of the campus community. This mandate has been part of the Clery Act since its inception in 1990. Timely warnings are limited to those crimes an institution is required to report and include in its ASR. There are differences between what constitutes a timely warning and an emergency notification; however, both systems are in place to safeguard students and campus employees.

DEVISE AN EMERGENCY RESPONSE, NOTIFICATION AND TESTING POLICY.

Institutions are required to inform the campus community about a "significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees occurring on the campus." An emergency response expands the definition of timely warning as it includes both Clery Act crimes and other types of emergencies (i.e., a fire or infectious disease outbreak). Colleges and universities with and without on-campus residential facilities must have emergency response and evacuation procedures in place. Institutions are mandated to disclose a summary of these procedures in their ASR. Additionally, compliance requires one test of the emergency response procedures annually and policies for publicizing those procedures in conjunction with the annual test.

COMPILE AND REPORT FIRE DATA TO THE FEDERAL GOVERNMENT AND PUBLISH AN ANNUAL FIRE SAFETY REPORT.

Similar to the ASR and the current crime log, institutions with on-campus housing must report fires that occur in on-campus housing, generate both an annual fire report and maintain a fire log that is accessible to the public. The security and fire report can be combined into one report for ease of reporting as long as the report states this in the title and all supporting crime/fire logs and data are available in the report. The notification must also specify the inclusion of the information of the fire reporting requirements.

ENACT POLICIES AND PROCEDURES TO HANDLE REPORTS OF MISSING STUDENTS.

This requirement is intended to minimize delays and confusion during the initial stages of a missing student investigation. Institutions must designate one or more positions or organizations to which reports of a student living in on-campus housing can be filed if it's believed that student has been missing for 24 hours.

On March 7th, 2013, President Obama signed the Violence Against Women Reauthorization Act of 2013 (VAWA) (Pub. Law 113-4). Among other provisions, this law amended section 485(f) of the Higher Education Act of 1965, as amended (HEA), otherwise known as the Clery Act. These statutory changes require institutions to compile statistics for certain crimes that are reported to campus security authorities or local police agencies including incidents of sexual assault, domestic violence, dating violence, and stalking. Additionally, institutions will be required to include certain policies, procedures, and programs pertaining to these crimes in their Annual Security Reports.

Under section 304(b) of VAWA, the changes made by the new law “take effect with respect to the annual security report . . . prepared by an institution of higher education one calendar year after the date of enactment” of VAWA. Thus, the first Annual Security Report that must include the new required information is the report that must be issued by each institution by October 1, 2014. This report would include crime statistics from calendar years 2011, 2012, and 2013. These crime statistics would also be reported to the Department through the web-based data collection in October 2014.

Final regulations to implement the statutory changes to the Clery Act will not be effective until after the Department completes the rulemaking process. Until those regulations are issued, UTTC will make a good faith effort to comply with the statutory requirements in accordance with the statutory effective date. UTTC will include statistics for the new crime categories for calendar year 2014 in the Annual Security Report due in October of 2015.

THE IMPORTANCE OF REPORTING CRIMINAL ACTIVITY

United Tribes does not have its own police department. Students, faculty, staff and guests are strongly encouraged to promptly report criminal or suspicious activity to both the local law enforcement and campus security. Prompt reporting of criminal activity enables the college and local law enforcement officials to more effectively protect the safety of the entire community. No matter how insignificant an incident might seem the information you provide may be helpful to the college and/or local law enforcement officials.

HOW TO REPORT A CRIME TO LOCAL LAW ENFORCEMENT

The college's main campus is located outside the city limits of Bismarck, in rural Burleigh County within the jurisdiction of the Burleigh County Sheriff's Department. Contact information for the Sheriff's Department is:

Burleigh County Sheriff's Department, 514 East Thayer Avenue, Bismarck, ND 58501

Emergency Service: 911 Non-Emergency Phone: 222-6651 Web page: www.burleighsd.com

After a report of criminal activity, the Burleigh County Sheriff's Department (BCSD) will assign investigative staff to the case. The Sheriff's Department generally notifies the college when it is investigating an incident on the campus. At the end of each calendar year, the Sheriff's Department provides the college with statistical information about crimes occurring on campus and reported to them. The information is included in the college's annual disclosure of crime statistics.

UTTC has a signed Memorandum of Understanding (MOU) signed with BCSD. In the event UTTC determines that a criminal offense may have been committed on United Tribes Technical College Campus that needs to be investigated, BCSD will be notified. If the BCSD suspects a criminal violation is occurring or has occurred on UTTC campus UTTC shall cooperate in any investigation.

Washington Courts is located inside the city limits of Bismarck within the jurisdiction of the Bismarck Police Department. Contact information for the department is:

Bismarck Police Department, 700 South Ninth Street, Bismarck, ND 58504-5899

Emergency Service: 911 Non-Emergency Phone: 223-1212 Web page: www.bismarck.org

After a report of criminal activity to the Bismarck Police Department (BPD), investigative staff is assigned to the case. The Department generally notifies the college when it is investigating an incident at Washington Courts. UTTC has a signed Memorandum of Understanding (MOU) with BPD. In the event UTTC determines that a criminal offense likely has been committed at Washington Courts that needs to be investigated, BPD will be notified. If the BPD suspects a criminal violation is occurring or has occurred at Washington Courts UTTC shall cooperate in any investigation.

How to Report a Crime to the College

If you are a victim of a crime, or if you feel threatened by suspicious activity, your first priority should be to get to a safe place. If you encounter a crime scene (as in the case when your car or your apartment has been broken into) you may be in danger because the perpetrator may still be in close proximity. Do not enter the crime scene! Instead, go to a safe place and call 911. Suspicious activity or strangers observed on the grounds of the college, in the parking lots, inside buildings, in or around the residence halls should be reported to security officers.

PASTORAL AND PROFESSIONAL COUNSELORS

As a result of the negotiated rule making process which followed the signing into law, the 1998 amendments to the Clery Act, 20 U.S.C. Section 1092 (f) clarification was given to those considered to be campus security authorities. Campus "Pastoral Counselors" and Campus "Professional Counselors", when acting as such, are not considered to be a campus security authority and are not required to report crimes for inclusion into the annual disclosure of crime statistics. As a matter of policy, they are encouraged; if and when they deem it appropriate, to inform persons being counseled of the procedures to report crimes on a voluntary confidential basis for inclusion into the annual crime statistics.

The rule making committee defines counselors as:

Pastoral Counselor

An employee of an institution, who is associated with a religious order or denomination, recognized by the religious order or denomination as someone who provides confidential counseling and who is functioning with the scope of that recognition as a pastoral counselor.

Professional Counselor

An employee of an institution, whose official responsibilities include providing psychological counseling to members of the institution's community and who is functioning within the scope of his or her license or certification.

LEGALLY MANDATED REPORTING

There are instances when the college official taking a report of a crime may be legally mandated to report the incident to law enforcement officials. Examples include:

- Health care practitioners are legally mandated to report any incident where they provide Treatment to an individual suffering from wounds inflicted by a firearm or resulting from an assault or abuse.
- Educational administrators, teachers, counselors and clergy are required by law to make a report anytime they become aware of any abuse being perpetrated on a minor child.
- If during the course of receiving a criminal report, the college officials become aware that there is an imminent threat to someone's safety, he/she must take appropriate steps to protect that person which may include making a report to appropriate law enforcement officials.

OFF-CAMPUS SAFETY RISKS AND CRIMINAL ACTIVITY

UTTC cooperates with law enforcement agencies to monitor any off-campus criminal activity that may jeopardize the safety and security of the college community. Campus officials meet and communicate regularly with officials from both the Burleigh County Sheriff's Department and the Bismarck Police Department. Both of these agencies provide timely notification to college officials of safety or security risks in the community and when appropriate, the college will employ its emergency notification and security advisory procedures to alert students, faculty and staff to the risk that exists. Both agencies also inform college officials of any criminal activity occurring in the community that involves UTTC students.

POLICY ON ALCOHOL

In North Dakota, it is illegal for anyone under the age of 21 to consume or be in possession of alcohol. It is also illegal for anyone to sell, furnish or provide alcohol to a person under the age of 21. Anyone in violation of these laws is subject to criminal prosecution. Alcohol abuse, like illegal drugs, is harmful to the mind and body. UTTC does not permit the use of alcohol, any other intoxicating substance, or any illegal drug by students, their guests, or employees when present on UTTC's campus, and also reserves the right not to permit any intoxicated persons on campus. A student found to be under the influence of or in possession of any alcoholic beverage or any illegal drug while on UTTC's campus is subject to immediate termination or other appropriate discipline, and the case shall be investigated by appropriate personnel at UTTC.

DISCLOSURE OF REPORTED CRIMES AND CRIME STATISTICS FOR CALENDAR YEARS 2012, 2013, 2014

Clery Act Required Crime Statistics

Understanding the Crime Statistics Tables:

1. Crime statistics presented in the tables are the total number of crimes or suspected crimes occurring at the specified locations and reported to either college or local law enforcement officials during the calendar year (January 1 through December 31). Crimes or suspected crimes reported to *both* college and law enforcement officials are counted only once.
2. Crimes or suspected crimes occurring at Washington Courts are presented under the “noncampus” category.
3. The crimes included in the table are those crimes mandated by the Clery Act. As stipulated by the Clery Act, the crime definitions for sex offenses are from the FBI National Incident-based Reporting System while the definitions of all other crimes are from the FBI Uniform Criminal Reporting System.

The definitions are as follows:

Aggravated Assault - An unlawful attack by one person upon another for the purpose of inflicting severe or aggravated bodily injury. This type of assault usually is accompanied by the use of a weapon or by means likely to produce death or great bodily harm. (It is not necessary that injury result from an aggravated assault when a gun, knife, or other weapon is used which could and probably would result in serious personal injury if the crime were successfully completed).

Arson - Any willful or malicious burning or attempt to burn, with or without intent to defraud, a dwelling house, public building, motor vehicle or aircraft, personal property of another, etc.

Burglary - The unlawful entry of a structure to commit a felony theft. For reporting purposes this definition includes: unlawful entry with intent to commit larceny or felony; breaking and entering with intent to commit a larceny; housebreaking; safe cracking; and all attempts to commit any of the aforementioned.

Drug Law Violations - Violations of state and local laws relating to the unlawful possession, sale, use, growing, manufacturing, and making of narcotic drugs. The relevant substances include but are not limited to: opium or cocaine and their derivatives (morphine, heroin, codeine); marijuana; synthetic narcotics (Demerol, methadone), methamphetamine; and dangerous non-narcotic drugs (barbiturates, Benzedrine).

Hate Crimes - Crimes that manifest evidence of prejudice based on race, religion, sexual orientation, disability and gender or ethnicity.

Liquor Law Violations - The violation of laws or ordinances prohibiting: the manufacture, sale, transporting, furnishing, possessing of intoxicating liquor; maintaining unlawful drinking places; bootlegging; operating a still; furnishing liquor to a minor or intemperate person; using a vehicle for illegal transportation of liquor; drinking on a train or public conveyance; and all attempts to commit any of the aforementioned. (Drunkenness and driving under the influence are not included in this definition).

Manslaughter - Manslaughter is defined as “the reckless or grossly negligent killing of a human being, excluding traffic fatalities.”

Motor Vehicle Theft - The theft or attempted theft of a motor vehicle. Motor vehicle theft is classified as all cases where automobiles are taken by persons not having lawful access even though the vehicles are later abandoned. This includes joy riding.

Murder and Non-negligent Manslaughter - The willful (non-negligent) killing of one human being by another.

Robbery - The taking or attempting to take anything of value from the care, custody, or control of a person or persons by force or threat of force or violence and/or by putting the victim in fear.

Weapon Law Violations - The violation of laws or ordinances dealing with weapon offenses, regulatory in nature, such as: manufacture, sale, or possession of deadly weapons; carrying deadly weapons, concealed or openly; furnishing deadly weapons to minors; aliens possessing deadly weapons; and all attempts to commit any of the aforementioned.

Sex Offenses - There are two categories of sex offenses, forcible sex offenses and non-forcible sex offenses:

Forcible is defined as any sexual act directed against another person, forcibly and/or against that person's will; or not forcibly or against the person's will where the victim is incapable of giving consent.

Non-Forcible is defined as unlawful, non-forcible sexual intercourse (incest or statutory rape)

The Clery Act stipulates that statistical information for offenses reported by the college must be broken down into specific categories indicating where the crime was reported to have occurred. The Clery Act defines these locations as follows:

On Campus - Any building or property owned or controlled by an institution of higher education within the same reasonably contiguous area of the institution and used by the institution in direct support of, or in a manner related to, the institution's educational purposes, including the residence hall. Any property within the same reasonably contiguous geographic area of the institution that is owned by the institution but controlled by another person, is used by students, and supports institutional purposes (such as food or other retail vendors).

Student Residences - A subset of "on campus" crime statistics, which includes only those crimes that were reported to have occurred in the dormitories or other residential facilities. Reports of crimes or suspected crimes occurring in the residence halls are indicated in the On-Campus column in parenthesis.

Non Campus - Any building or property owned by a student organization. Any building property (other than a branch campus) owned or controlled by an institution of higher education that is used in direct support of, or in relation to, the institution's educational purposes, is used by students, and is not within the same reasonably contiguous geographic area.

Public Property - All public property that is within the same reasonably contiguous geographic area of the institution, such as a sidewalk, a street, other thoroughfare, or parking facility, and is adjacent to a facility owned or controlled by the institution if the facility is used in direct support of or in a manner related to the institution's purpose.

A hate crime is one that manifests evidence that the victim was intentionally selected because of the perpetrator's bias. The categories of bias include race, gender, religion, sexual orientation, ethnicity/national origin or disability. The Clery Act requires colleges and universities to disclose all instances of Clery Act crimes listed in the crime statistics table above plus any other crime involving bodily injury that manifests evidence that the crime is a hate crime. The disclosure of each hate crime must include information about the geographic location where it occurred and the category of bias that was involved.

Fire Log

The campus housing fire log is a summary of any fires that occurred in on-campus housing or residential hall for the past year. The log records date and time, general location, estimate of property damage, number of injuries and/or deaths associated with the fire. The Safety and Security Department maintains an electronic log of all incidents brought to their attention on campus which includes any fire. It is reported on an annual basis and is available for inspection for the most recent 60 day period. This log is available to anyone upon request free of charge. Simply notify the Director of Safety and Security, in writing, and provide the date ranges you would like to see in the log. The information will be provided to you. Portions of the log older than 60 days are available within two business days of a request for public inspection. The fire log records are filed for a period of seven years. In accordance with the Higher Education Opportunities Act of 2008, UTTC is providing mandatory fire safety information as a part of this report. Detailed information is listed in the table below about fires in any student housing area in 2010.

Reporting fires that have occurred (Not in Progress)

For any fire that has occurred (not in progress) individuals may report the incident to any member of any member of the Safety or Security Staff, the Director of Housing or Housing Staff, Resident Hall Director or any Resident assistant, the Director of Safety or Security.
